ADDED VALUE OPTIONS

Cabin Trailer

This trailer is aesthetically pleasing when using standard portable restrooms for your event. The trailer is built with beetle kill pine and can hold up to 4 restrooms and 1 handwash station or elite flush restrooms, and/or free standing urinals.

Dimensions: L: 28' H: 13' W: 8' 6"

Handwashing Station

Handwash stations are equipped with foot pumps for fresh water, soap dispensers, and paper towels. This is great for events and necessary for food preparation.

Dimensions: H: 47 3/4" W: 30 1/4" L: 34"

Trough Urinal

Looking for a solution to backed-up lines at concerts, races or other special events where adult beverages are consumed? Check out the Urinal Unit. Built within the shell of an Enhanced Access Unit (EAU), this portable restroom can hold up to four men comfortably at one time. The trough tanks mimic expensive plumbed troughs found in many arenas and stadiums at a fraction of the cost.

Dimensions: H: 86 1/2" W: 61" D: 61"
