• Winter 2020

*It is Our Privilege to Offer You the Best in SAFETY, SERVICE & SUSTAINABILITY*

## Follow These Easy Steps to Prepare for Northern Colorado's Unpredictable Weather

**These tips ensure you understand vital changes to your pick-up schedule and how best to prepare your equipment.**

Trash collection offers complexities, especially when paired with a holiday week and record-breaking snow fall. Our goal is to help you prepare in the event of another occurrence. Most recently, with the snowstorm that hit Northern Colorado over the Thanksgiving holiday week, we were unable to operate our trucks safely and efficiently. We experienced hundreds of calls, emails and voicemails wanting to know if the garbage would be picked up today or tomorrow. **Please follow the winter checklist to ensure you are in the know for your weekly trash and bi-weekly recycle pick-ups. Additional tips can be found on GSIwaste.com.**

**Go to our Website, Facebook, or Instagram:**  

We have a proactive communications team. This team posts updates to our website's main page and on social media. You can also send your email messages to [custserv@gsiwaste.com](mailto:custserv@gsiwaste.com). Please understand, in the case with major weather, the response time of our team may be delayed, so our website is the best place for most current information.

**Register for Email Alerts and Check Your Email:**

GSI has a free email notification system called ReCollect. It only takes two minutes to set up! Visit <https://gsiwaste.com/recollect-my-schedule/> to start receiving weekly emails letting you know when your pick-up day is. In the case of delays or holds, due to bad weather or road closures, you will also receive email alerts! Currently, this program is only available for residential customers.

**Clear the Ice & Snow-** Please shovel and maintain a clear path for GSI to service your carts. Your carts should be two feet apart and moved away from mailboxes, cans, trees, light poles, etc.

## 2020 Special Add-on Services & Equipment

\* Representative samples; see full size listings below.

### Residential Trash & Recycling Cart Options

**YOUR CONTAINERS:** This service is for customers who own personal metal or plastic containers for their waste. Pricing is based on the volume of the container. GSI's pricing level is figured upon 35, 65 and 95-gallon bins/carts. Additional pricing for greater service levels is available by request.

**GSI'S TRASH CART(S):** Choose our easy-to-roll BLACK lid cart or PINK cart for trash service in three sizes:

- 35-gallon (2-3 tall kitchen trash bags); good for family of 2 and seniors
- 65-gallon (4-6 tall kitchen trash bags); good for family of 4 and national average size
- 95-gallon (6-8 tall kitchen trash bags); good for family of 5+

**GSI'S RECYCLE CART(S):** The GSI single-stream teal recycle cart, easily identifiable with the BLUE lid, is available in 65 and 95-gallon sizes. This convenient every-other-week recycling service is offered concurrent with the collection cost of your trash (within the cities of Fort Collins and Loveland only). In other areas of Larimer and Weld counties, recycling service options may be collected for a nominal fee.

**YARDWASTE CART:** Make a difference with your yardwaste by choosing to keep organic debris out of the landfill and composting this material locally. The specialized 65-gallon GREEN cart allows air to flow above and below the grass clippings, branches, weeds, and the leaves you place inside. **This seasonal service is offered from April through November and priced less than the cost of five extra trash bags a month.** Limited service areas apply.

### Special Add-on Services & Equipment

**ON-CALL DUMPSTERS OR ROLL-OFFS:** Order a large dumpster whenever you need "lots of stuff" hauled away (yard, garage, or neighborhood clean-ups).

- ONE-TIME VISIT = "Special pick-up" of your waste or recycling
- SMALL JOB = 3-yard Dumpster holds up to (20) 35-gallon bags
- MEDIUM JOB = 15-yard "mini" Roll-Off container holds up to (70-80) 35-gallon bags
- LARGE JOB = 20 or 30-yard Roll-Off containers

**GSI TEAL BAG SERVICE:** Customers pay a small monthly service fee to place their prepaid teal bag(s) at the curb on pick-up day, even if it is only once every few months. The prepaid teal bags are sold in bundles of 5 or 10, great during the holidays and heavy trash volume months.

**SPECIAL EVENT WASTE SERVICES:** GSI provides a variety of pristine options for your next event:

- Event Waste & Recycling Management • Portable Toilets and Family Units • Handwash Stations • Think Pink Equipment • Gray Water Carts • Plus More!

## Your Holiday Alerts

*Mark your calendar.*

Due to area landfill closures every year, GSI does not operate residential pick-up services on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day.

For 2020, if your pick-up day falls on or after a holiday during the REGULAR WORK WEEK, then your normal pick-up will be DELAYED BY ONE DAY on this date:

•**New Year's Day**

Wednesday, January 1, 2020

•**Memorial Day**

Monday, May 25, 2020

•**Independence Day** \*

Saturday, July 4, 2020

•**Labor Day**

Monday, September 7, 2020

•**Thanksgiving Day**

Thursday, November 26, 2020

•**Christmas Day**

Friday, December 25, 2020

\* Residential customers un-affected.
