GSI's Seasonal Yardwaste Recycling Program Celebrates 21 Years of Sustainable Waste Diversion

What decisions do you make when it comes to your yardwaste? Do you throw it away, or do you choose to recycle? The beauty is you can keep your yardwaste out of the landfill, all by signing up for our program. When choosing to participate in GSI's Yardwaste Recycling Program (YRP), you make an impact. **The seasonal pick-up starts April 6, 2020 and runs through November 28, 2020.** The program is easy to follow and works well for the Spring, Summer and Fall months.

Why Participate?

- ♻️ **By reducing your waste disposal costs, you \$ave money. What's not to love about that?**
- ♻️ **Your yardwaste will be recycled into compost at a local dairy, versus being landfilled.**
- ♻️ **It is then purchased by area farms and communities and re-used throughout Northern Colorado.**

**Now Offered
In Timnath!**

Now is a great time to join the program! GSI residential customers may add this service to their account(s) this season. Note: Some restrictions may apply. To learn **more about the program, visit GSIwaste.com/residential/yardwaste-service/ or call (970) 484-5556 for details.**

Graduation Cap or Wedding Bells? Let Us Help!

Reserve your special event or temporary event equipment. Graduations, neighborhood yardsales, clean-ups, and more are right around the corner. Prepare now by checking one thing off of your list. GSI offers waste and recycling equipment, portable restrooms, handwash stations, and more!

Understanding Your Cart Service

- 1 Set your carts out by 7 a.m. on your designated pick-up day.
- 2 Place your carts on the side of the street, near your home.
- 3 Position the handles of your carts to face toward your house.
- 4 Maintain the correct distance between your carts and static objects. It is important for GSI's automated trucks to have the ability to service your carts. Always keep a 2 feet distance between carts and 3 feet from static items.

Sign-Up For Free Weekly Service Alerts

Never miss a pick-up day with GSI's periodic holiday and weather alerts, as well as weekly service reminders. **Email CustService@GSIwaste.com to sign-up today.**

For Your Extra Waste

Have extra trash? Save money and hassle. Call (970) 484-5556 to order your teal bags. These 33-gallon bags include the cost of service. You simply place your extra teal bags out with your trash cart and GSI will pick your bags up during your normal trash day.

Need to schedule a special pick-up for hard to dispose of items?

Call (970) 484-6574 for options.

Find Out Your Schedule

Need a little help finding out your scheduled trash or recycling pick-up day?

Visit our site: GSIwaste.com/recollect-my-schedule/.

Type in your address, and your schedule will appear.

Recycling 101

Remember: Never bag your recycling!

Wondering how to recycle an item? Consult the Waste Wizard:
