

GSI TRASH GUIDE

BANDITO SAYS, "KEEP THESE OUT OF THE RECYCLING BIN!"

Plastic Bags and Wrappers

Food/Drink Containers & Utensils

Other Items

Materials with food, liquid, or grease need to be tossed into the trash, as they cannot go into single-stream recycling for several reasons. Other non-recyclable, landfill items include: Plastic bags, bagged recycling, flexible film, wrappers, greasy pizza boxes, paper towels, plates, tissues, Styrofoam, coffee cups, shredded paper, light bulbs, drinking glasses, electronics, yardwaste, and batteries.
